

4th Edition of

INTERNATIONAL VACCINES CONGRESS

Overview

IVC 2024 brings a diverse community of Vaccine Researchers, industrialists and associated experts in the field of vaccines management from all over the globe to share and show case their research results. This will be the best chance to interact and share your research with experts involved in Vaccine fields from all parts of the world.

Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
