Overview

IVC 2023 brings a diverse community of Obesity Researchers, industrialists and associated experts in the field of Vaccines and Vaccines development from all over the globe to share and show case their research results. This will be the best chance to interact and share your research with experts involved in Vaccines fields from all parts of the world.

Opportunities

We are excited to invite you to sponsor and exhibit at the IVC 2023. Download the 2023 Exhibitor and Sponsorship Prospectus.

Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
